

STACY TUSCHL

SAVE YOUR BUSINESS, RESCUE YOUR LIFE

Stacy Tuschl is an Entrepreneur and Business Performance Strategist. She started her first business in her parents' backyard at the age of 18 and turned that company into a 7 figure business. She is the author of the book "Is Your Business Worth Saving?" where she reveals proven strategies for pulling entrepreneurs out of a rut and launching them toward business success and the host of the top rated podcast Business Rescue Road Map.

In **Is Your Business Worth Saving?** Stacy reveals critical questions and get-real evaluations to help you assess the health and viability of your business

TOPICS TO DISCUSS

- Starting an online business on a budget
- Work/Life Balance - Does it really exist?
- How to tame your to-do list and focus on today's biggest priorities
- Delegating/Outsourcing - Switching from solopreneur to building a team
- The must have tech tools you need to run your business
