

Mindset Coach

Role, Responsibilities, Results, Requirements

Position:	Mindset Coach
Department:	Client Success
Reports To:	Sarah Schaefer; Senior Director of Development & Operations
Job Type:	Full time or Part-Time, Salary position

Role:

Dedicate time to rewiring our top-tier Mastermind clients' mindset, allowing them to be the very best version of themselves and to unlock their full potential (both personally and professionally). Additionally, avoid directly giving advice or solving problems. Instead, you focus on asking questions to help the person identify and solve problems on their own.

Responsibilities (tasks associated with the role)

- Get a clear understanding of the client through evidence based assessments.
- Guide clients through goal-setting, personal growth and behavior modification
- Identify objects that may be holding clients back from achieving their goals, and provide strategies for overcoming them.
- Set objectives for weekly/bi-weekly/monthly coaching sessions
- Plan for future tasks
- Ensure that clients are aware of their progress or lack of progress, and hold them accountable for results.

Requirements (and expected proficiencies to excel in this role)

- High school diploma or equivalency required
- Completion of a Mindset Certification / Program Required (*Life Coach Certification preferred but not required*)
- Bachelor's in Psychology or some form of Counseling preferred
- Excellent communication skills required
- Strong organizational skills

Results:

- Help clients achieve their goals by improving actions necessary to take control of their businesses and personal life. Consider: Self-awareness, accountability, increased motivation, set & achieve realistic (but challenging) goals, and engage in self-reflection.
- Increase confidence and competence within the Mastermind
- Contribute to overall increase in Mastermind retention rate.

This job description is not all-inclusive and certain activities, duties or responsibilities may be required of the employee as needed.
